

# Become an EMR from the Comfort of your Home!

## Emergency Medical Responder Course

Course Dates: June 17 – July 31, 2024

### Our Summer 2024 EMR Course is FREE to qualified students

*Eligibility requirements apply for grant funding. There is a limited number of sponsored seats for the 2024 Summer EMR course.*

Online LIVE (*Live Interactive Video Education*) classes will be held **Monday and Wednesday evenings from 6-10pm CST** via interactive video conferencing. A computer with high speed internet connection, audio and webcam capabilities required.

Students will be required to attend Saturday skills lab sessions in Sioux Falls to gain hands-on skills and to fulfill course objectives. Based on student participation, regionalized skills lab opportunities are a possibility but not a guarantee.

In-person skills lab sessions will be held from 8am-4pm on assigned dates.  
A evening meal is provided at no cost to the students during the Wednesday evening skills labs.

### Skills Lab Class Dates: June 26, July 15, July 24, July 31

Upon successful completion of the EMR Course, participants will be: certified in Basic Life Support CPR and be prepared to complete the National Registry Cognitive Exam to earn their EMR registration/certification.

**Course Registration Fee: \$650.00**  
(includes NREMR written exam fee)

(Grant funding allows qualified individuals to attend the EMR class for FREE)

Registration includes: the required textbook, access to video conferencing software, on-site CPR certification, State/National Psychomotor Skills testing. Qualified grant students will have access to a paid NREMR cognitive exam.

*There is a desperate need for EMRs across the State of South Dakota. Completing an EMR course will provide opportunities to individuals seeking to support their community and assure rural communities have access to emergency services and medical care when needed.*

If you are interested in attending the course and would like more information, contact:
