

Become an EMT from the Comfort of your Home!

Emergency Medical Technician Course

Course Dates: January 12 - April 24, 2027

Our Spring 2027 EMT Course(s) is partially funded for qualified students.

Eligibility requirements apply. There is a limited number of grant sponsored seats for the 2027 EMT course(s).

Online LIVE (*Live Interactive Video Education*) classes will be held Tuesday and Thursday evenings from 6-10pm CST via interactive video conferencing. A computer with high speed internet connection, audio and webcam capabilities required.

Students will be required to attend Saturday skills lab sessions to gain hands-on skills and to fulfill course objectives.

Based on student enrollment, regionalized skills lab opportunities are a possibility but not a guarantee.

In-person skills lab sessions will be held from 8am-4pm on assigned dates.

Weekend Saturday Class Dates: January 30, February 20, March 20, April 24

Upon successful completion of the EMT Course, participants will be: certified in Basic Life Support CPR and be prepared to complete the National Registry Cognitive Exam to earn their EMT registration/certification.

Non-Grant Funded Course Registration Fee: \$900.00

(Grant funding allows qualified individuals to attend the EMT class for a fee of \$350.00 to cover course materials)

Registration includes: the required textbook, access to video conferencing software, on-site CPR certification, State/ National Psychomotor Skills testing. Qualified grant students will have access to a paid NREMT cognitive exam.

Grant Funding made possible through a SAMHSA Grant issued to Tripp County Ambulance Service in Winner, SD. Tripp County Ambulance has graciously shared this funding opportunity for qualified individuals across the State of South Dakota to enroll in this EMT Course. A goal for this grant is to increase the workforce for EMS agencies in South Dakota.

There is a desperate need for EMTs across the State of South Dakota. Completing an EMT course will provide opportunities to individuals seeking to support their community and assure rural communities have access to emergency services and medical care when needed.
